Dear George:

In my letter to you of November 9, 1964, I call for all secretarial chairs and all conference room chairs to be covered in KNOLL TEXTILES Nylon Homespun #K189 Charcoal. This is to be amended as follows:

All HERMAN MILLER conference chairs shall be covered in HERMAN MILLER Nylon Fabric, Hopsak #1420, Black. This is to be the standard conference room chair. Should we, for any reason, use some chair other than HERMAN MILLER, then the upholstery fabric would be KNOLL TEXTILES Nylon Homespun #K189 Charcoal.

Sincerely,

I.S.D. INC.
